

I am Charlene François. My specialist field is midwifery. I have been a midwife 36 years. I hold a live professional registration in midwifery and work as a midwife in my local hospital.

I am also one of the Training Directors on the Baby Lifeline Training Board.

I have been an Expert Witness for 24 years and I work for both Claimant and Defendant firms in England. I undertake work in Northern Ireland, Guernsey and Scotland. I have been instructed for cases in the Cayman Islands, Singapore, Gibraltar, and Hong Kong.

I also work as an Expert Witness for Coroners and given evidence in Coroner 's Court when instructed.

In recent years I have been asked to undertake work for the Nursing and Midwifery Council and the Medical Defence Union as an Expert Midwife to their Fitness to Practise committees.
