

Dave James MSc BSc (Hons) DipHE MCPod HCPC

Dave James is an HCPC registered podiatrist - a specialist in the management of foot and leg problems - and ex-A&E nurse with over 25 years' experience in healthcare.

He has a masters degree in lower limb biomechanics and has worked in a number of different areas including private practice and the NHS, where his last post as band 7 was as nail surgery and biomechanics lead.

He currently teaches undergraduate podiatrists, is on the committee for a foot care charity and works with other healthcare business owners as a coach and mentor.
