Dr Mark Vanderpump is a Consultant Endocrinologist. He resigned from his NHS practice at the Royal Free Hospital in April 2016 after 30 years of service within the NHS and now works in full-time private practice specialising in diabetes and endocrinology within North, West and Central London with weekly clinics at The Physicians' Clinic (part of Harley Street Clinic). He supports in-patient services in this speciality and participates within Multidisciplinary Teams at The Physicians' Clinic, BUPA Cromwell Hospital and Wellington Hospital. He liaises with London Neurosurgery Partnership, London Oncology Clinic and fertility services at the Lister Hospital and CRGH. He has a busy medicolegal practice writing over 50 expert reports per year. He was President of the British Thyroid Association 2014-2017. He is the current Chair of the London Consultants' Association.
