

Geoffrey Simpson-Scott

Partner, Head of Medical Negligence

Geoffrey joined Simpson Millar in 2015, and has 17 years' experience of acting for claimants in [Clinical and Medical Negligence claims](#).

Geoffrey is a Solicitor with specialist expertise in complex and high-value medical negligence cases including catastrophic injuries for:

- [Cerebral & Erb's Palsy](#)
- [Cauda Equina Syndrome](#) and [Spinal Injuries](#)
- [Meningitis Mistreatment](#)
- Pregnancy and [Birth Injuries](#)
- Treatment leading to [Amputation](#)
- Missed and [Delayed Diagnosis of Cancer](#)

Geoffrey is also the author of 'A Practical Approach To Clinical Negligence' 2nd Edition, to be published by Law Brief Publishing in July 2020. He has also contributed to the Association of Personal Injury Lawyers' (APIL) 'Guide To Catastrophic Injury Claims' and is a keen supporter of 7BR's annual Skeleton Series.

He also regularly shares his expertise in articles written for the PI Brief Update Journal, the Personal Injury Law Journal, the Journal of Personal Injury Law, the Solicitors' Journal and the National Medico-Legal Directory.

Geoffrey is also recommended in the Legal 500 2017/18 UK edition for his "expertise in high-value and technical claims" and The Legal 500 2018/19 as "always helpful and understanding."
