What drew you to the bar?

The Bar was completely off my radar until a conversation in the last year of university and quite simply as soon as it was explained to me I knew it was what I wanted to do. Nothing too considered or intellectualised, I just knew it was for me.

What do you enjoy most about being a member of 7BR?

It's the complete package for me: talented members with a positive attitude, supportive and capable support staff, and a wonderful building.

Do you think your lockdown experience will change the way you work going forward?

I very much hope so. It's possible now to cover multiple cases in different Courts within a single day if necessary which makes diary management very much more flexible and frees up considerable time in the week. My view is that directions hearings by video are here to stay.
